

WSTIMS FOR WINDOWS USERS NEWSLETTER

April 8, 2022

ISSUE 02

VOL. 22

Editor: Jeff Clark

jclarksr94@gmail.com

Programmer: Dave Allen

This newsletter is for you, the user, to inform you of problems that have been sent in from scorers across the nation and the solutions for those problems. We will be sending this out from time to time to keep you informed and assist you in usage of the program. If you have a problem or issue that needs to be addressed, send an email to the editor and we will get your problem addressed immediately and keep all of the users informed of the problems/solutions involved.

An Updated Version Will be Published Later Tonight for Downloading

Dave is still working on resolving some issues with WSTIMS and there will be an updated version available for download later this evening.

SurePath Interface Is Not Working

The SurePath interface is **NOT WORKING** in the published version. If you need to use it this weekend, send an email to Dave at allendbj@comcast.net and he will send you a special version with special instructions to work around this issue for the time being.

Sorry for the problems!
