Fix List

Status	Priority	Program Version	Component	Issue	Notes
Closed	H	5.0.1.19	Import Data	Adjustment needed when SlalomRecap data is imported for a tournament prior to 2019	Updated to handle missing data field for these older imports
Closed	HH	5.0.1.19	AWSA Age Groups	Add new B5/G5	
Closed	H	5.0.1.19	Jump Summary	For Collegiate team skiing, distinguish between a skier who passes all jump versus one that has at least 1 fall. The skier that has a fall should be included in the scoring. Skier with passes only	Treating any jumper that has only passes as not eligible for jump placement. Changes the points to exclude those skiers and reduces the placement points
Closed	H	5.0.1.19	Nops Data	Update for B5/G5 divisions	
Closed	H	5.0.1.19	CodeValueList	New IWWF divisions	Updated but need to review minimum slalom speeds for all divisions
Closed	H	5.0.1.19	Overall	Need to review formula for IWWF overall calculation. Related to minimum starting speeds and the adjustment factors. Need for new divisions but really need to review for
