

## WSTIMS For Windows

### Fix List

Status	Priority	Program Version	Component	Issue	Notes
Closed	H	7.0.2.8	Import OLR	Show all IWWF validation messages only at the end of the import process	Messages are batched up and shown at the end of the process.
Closed	L	7.0.2.8	Export	Tournament data export does not include the EventRunOrderFilters data	Added to table list
Closed	M	7.0.2.8	Running Order	The group filter feature is a bit finiky	Made some adjustments and added a save button
Closed	L	7.0.2.8	Slalom Entry	Add a button to send "Simulation Pass" to WaterSkiConnect	Button already available.
