

WSTIMS For Windows
Fix List

Status	Priority	Program Version	Component	Issue	Notes
Closed	HH	7.1.0.14	Import OLR	Checking for a skier's license is not showing the warning message when no license available and checking for license doesn't seem to be working.	Error found in determining if license check is needed and it was not being performed.
Closed	H	7.1.0.14	Boat Path Slalom Tolerances	New tolerances have been defined for class R skiers to match current class L tolerances	Updated class R tolerances
