

WSTIMS For Windows
Fix List

| Status | Priority | Program Version | Component | Issue | Notes |
|---------------|-----------------|------------------------|------------------|--|--|
| Closed | H | 4.0.0.4 | Slalom Entry | Preventing an improved score for a slow time re-ride only applies to LR skiers | Was doing this for ELR but it has now but fixed. |
| Closed | H | 4.0.0.4 | Trick Entry | Trick codes WB and KB for wakeboard and kneeboard are not working for collegiate tournaments | Functionality was broken but has now been fixed. |
